

Reservations at SII hotel properties must be done via SII registration to obtain the special SII rates. Hotel accommodations are not included in the tuition and individuals are required to pay the hotel directly at check in.

A **five-night minimum stay** (March 8–13) applies at all SII-designated hotels. Participants are responsible for the full stay, regardless of arrival or departure date. A credit card is needed to hold your hotel reservation and any cancellation or no show charges will be applied to the credit card or billed directly to your firm.
