

Sample Entry Form – Reuters Events Automotive D.R.I.V.E 2023

Choose the categories to apply for

You may enter for as many categories as you wish. Please note each category must answer the specific criteria listed under each category on the homepage 'Entry Criteria' section.

The judges are determining success on an entry's VISION (forward thinking idea, strategy, or breakthrough tech/leadership), IMPACT (both direct and indirect impact on the business, performance, industry and society) and SCALABILITY (whether this effort is replicable, not only by the company, but by peers and even competitors – to ensure long-lasting and far-reaching impact). Each of these factors will be given a scoring out of 5.

Add applicant name, email, company*

PR firm (if applicable)

Project / Product / Service Title*

Executive summary of the project*

Please provide a short paragraph to summarise the key results of your submission. This will be published as the overview of your entry if you are nominated. The period the categories will be judged on will be January 2022 – June 2023 unless stated differently in the category description. Character limit (including spaces) is 2000 max.
