8:00AM - 5:30PM

OCTOBER 5, 2023
WASHINGTON DC

8:00 - 9:00

Networking & Coffee

9:00 - 9:10

Welcome Remarks & Introduction

Christine Tsai | CEO & Founding Partner, 500 Global

Segment One: Rise of a New Era for Global Tech

Tech companies are struggling to navigate an asymmetrical global regulatory landscape and policymakers are struggling to find the right balance between security, privacy, innovation, and economic growth. How can the global investment community better support policymakers, entrepreneurs, and each other in establishing a shared future for technology and innovation?

9:10 - 9:25

Beyond Blitzscaling

Chris Yeh | General Partner, Blitzscaling Ventures

9:25 - 10:05

Older, Wiser: Evolving VC and Policy for Innovation

- Tonya Williams, Advisor, Open Opportunity Fund
 - Bobby Franklin, President & CEO, NVCA
 - Usman Ahmed, Director of Global Policy and Research, Paypal
 - Moderator: Vishal Harlan, Managing Partner, 500 Global
-

10:05 - 10:50

US and China: The Next Era of Global Tech Super Powers

- Edith Yeung, General Partner, Race Capital
 - Jake Jennings, Assistant Vice President, Head of Global Trade Policy, AT&T
 - Bruce Andrews, Chief Government Affairs Officer and Corporate Vice-President, Intel
 - Moderator: Chris Schroeder, Co-Founder, Next Billion Venture
-

Segment Two: Rise of the Next Global Companies

After years of slow growth, startup activity is accelerating, with over 100 countries with active startup ecosystems. Global Unicorn activity is accelerating even faster, with over 50 countries with at least one Unicorn. Even US Unicorns have a global lens with 80% with an immigrant founder or key business leader. We talk to some of the most promising global startups to learn what's working and what remains to be done to create an enabling environment supporting innovation across the startup ecosystem.

10:50 - 11:30

Beyond the Usual Suspects: Investing in Diverse Founders, Geographies, and Portfolios for Impact and Innovation

- David Hall, Managing Partner, Rise of the Rest Seed Funds, Revolution
- Shelly Porges, Co-Founder and Managing Partner, Beyond the Billion
- LaToya Wilson, Managing Director and Americas Head, Morgan Stanley Inclusive Ventures Group
- Moderator: Bouchra Darwazah, General Partner, Asymmetric

11:30 - 11:55

- Meredith Sumpter, CEO, Council for Inclusive Capitalism
- Teresa Barger, CEO, Cartica
- Sarah Keh, Vice President, Inclusive Solutions, Prudential Financial
- Moderator: Alix Lebec, Founder & CEO, Lebec Consulting

11:55 - 12:15

The Rise of Private Credit: Navigating the Future of Financing

- Andrew Curry, Managing Director and Head of Investor Relations for Global Credit, Carlyle
- Moderator: Sean McManus, Co-Founder, M+D Advisors

12:30 - 1:30

Lunch Break

Segment Three: Rise of the Next Economies

The Rise Economies are the 30 largest, fast-growing economies outside of the US and China. By 2027, the Rise Economies will be larger than the US and China, combined. The Rise Economies are growing faster, younger, more social, more rural and underpenetrated markets. The Rise Economies are nascent venture capital markets relative to the US and China. In this session, we take a look at some of the most promising Rise Economies around the globe.
