

Alex Williams

Bio

Alex is quick-witted with an excellent client manner; he sees complex problems through a practical lens. Professional and lay clients find him clear, informative, and reassuringly easy to work with.

Alex is an assured advocate with a wealth of experience in multi-track PL/EL litigation, including a number of multi-million pound and extra-territorial claims. His PI practice has an emphasis on asbestos litigation and regularly appears for claimants in the asbestos list and has experience in industrial disease inquests.
