

Make a Splash on the Main Stage! Submit Your Video for SKO 2026

As we gear up for SKO 2026 in San Diego, it's your turn to hit "record" and show how you're leveling up and accelerating to win! We want to see your creativity, energy, and excitement for what's ahead. Share your story in a short video clip and you could win prizes, score Digital Dollars, and even see yourself featured on the SKO main stage.

How to Participate

- **Record Yourself:** Share your responses in a short video clip (30 seconds max per clip). Answer as many prompts as you would like. Each prompt will earn you more Digital Dollars & entries into our drawing to win exclusive swag (more info below).
- **Showcase Your Talent:** Year after year, we are blown by your submissions showcasing an array of talents, like spot-on comedic timing and laugh-out-loud punchlines, lyrical writing skills and dropping beats, creative video editing and the return of the T-Rex, and of course the chance to get to see and know more of you! Keep that energy going by getting creative, having fun, and maybe even adding a touch of flair to your submissions.
- **Earn Digital Dollars & Exclusive Swag:** Each video submission will earn you a raffle submission for a chance to win exclusive branded swag and you'll also be eligible for our Digital Dollars program at SKO. Accumulate these dollars to "buy" high-end branded items at our SKO Store.
- **Be Featured on Main Stage:** The most creative and engaging entries will earn a spot to be featured on our main stage.

Instructions

1. Using your recording device (e.g. smart phone, laptop, video camera) record responses to each question below as a separate video (file format should be .mov or .mp4)
2. Each video response should be no more than 30 seconds (exceptions are for creative videos that can be slightly longer)
3. Upload each video separately using the prompt (scroll down)

Video Prompts

1. *What's one way you/your team is Leveling Up and Accelerating to Win this year?*
2. *Show us a quick glimpse of your local office vibe or favorite cultural tradition.*
3. *What's one thing you love about working at Digital Realty?*
4. *What does success look like to you in 2026, and how do you plan to 'Level Up' to achieve it?*
5. *San Diego is known for surfing — what's your surfboard equivalent at work that helps you ride the waves of change?*
