Smart Casual

Smart casual attire is a dress code that combines well-fitting, polished business wear with elements of casual attire—think blouses, polo shirts, button-downs, chinos, dress pants, dark-wash jeans, and polished, practical footwear. On the spectrum of formality, smart casual lies between dressy casual (jeans and blouses) and business casual (dress pants and pencil skirts).
A common way to achieve a smart casual look is to pair pieces of slightly different formality levels, like a skirt with a vibrant sweater, or a refined blazer over a nice shirt.
